

Job Advert

Required to start January 2021

Senior ICT Technician

Permanent, 37 hours per week, Term Time plus four weeks

Salary: NJC Grade 7 £22,627 - £24,491 per annum FTE

(Actual salary in the region of £20,829 - £22, 845)

Faringdon Learning Trust has a vacancy for a Senior ICT Technician to support the Trusts ICT provision across our Primary and Secondary Schools. As part of the ICT Services team, the post holder will provide and deliver technical and infrastructural support across our Trusts school sites.

We are looking for a candidate who:

- Has experience delivering first and second line technical support in the workplace;
- Has understanding of various server applications (eg AD, DHCP, DNS), with strong knowledge of hardware and software (and their integration);
- Has a solution orientated, methodical approach, with skills in troubleshooting problems and testing solutions;
- Can maintain network services such as CCTV, VOIP, E-mail and Web filtering and back up
 - Has strong communication skills, working well independently and within a team;
 - Is confident with Microsoft Server Operating Systems, Windows 10, and Office 365.

The post holder will be required to visit multiple school sites [all of which are currently within 10 miles of Faringdon], so own transport and a full driving licence are essential.

Successful candidates will be required to undertake a DBS check and safeguarding training as part of their job role. Application form and post details, including a job description for the above post can be found on our website: <http://www.faringdonlearningtrust.org>

Please return completed application forms to: recruitment@faringdonlearningtrust.org

Closing Date for applications – noon on Friday 27th November 2020

Interviews for the position will take place w/c 30th November 2020
